

## REOPENING NOTICE AND GUIDELINES

Please note the following CDC and ADHS prescribed health and safety guidelines...

1. If you are currently sick or have a fever, please do not come until you have fully recovered.
2. If you have been exposed to Covid-19 within the past 2 weeks, please do not attend.
3. If you have tested positive for Covid-19, please do not attend until your isolation time frame is fully completed and you have no symptoms.
4. We recommend that the elderly, or those with other existing illnesses that put you at greater risk – please continue to join us online, instead of in person.
5. We will be requiring every person to sanitize their hands when they enter.
6. We make available the option of wearing face masks when attending our services.
7. We will be seated by families, with feasible distancing between seats.
8. Some may not be comfortable with meeting in person at this time: we recommend that you continue to watch our services online.
9. If you have objections to any of these guidelines or options – we would prefer that you not attend until all restrictions are removed.
