

REOPENING NOTICE AND GUIDELINES

7/8/20

The Door Christian Fellowship Church of Peoria will be resuming our normal schedule of worship services *in person, at our building* beginning **Sunday, July 12.**

We will be following CDC and ADHS prescribed health and safety guidelines as follows...

1. If you are currently sick or have a fever, please do not come until you have fully recovered.
2. If you have been exposed to Covid-19 within the past 2 weeks, please do not attend.
3. If you have tested positive for Covid-19, please do not attend until your isolation time frame is fully completed and you have no symptoms.
4. We recommend that the elderly, or those with other existing illnesses that put you at greater risk – please continue to join us online, instead of in person.
5. We will be requiring every person to sanitize their hands when they enter.
6. We will be checking the temperature of every person upon entry.
7. We will be requiring all to wear face masks when attending our services.
8. We will be refraining from handshaking, hugs, etc.
9. We will be seated by families, with feasible distancing between seats.
10. Some may not be comfortable with meeting in person at this time: we recommend that you continue to watch our services online.
11. If you have objections to any of these guidelines – we would prefer that you not attend until all restrictions are removed.

While we are glad for technology that has enabled us to continue to worship and hear from God, we are very excited to be able to see each of you and meet in God's House in person.

God bless you and we look forward to seeing you soon!
